Northwestern University – BFA
 Stella Adler, New York
 Wynn Handman, New York
 Roy London, L.A
 Extensive voice training

Best known for her portrayal of Diana, the sexually charged villain of cult classic television program V, Jane appeared on American television weekly from 1976-1989. Along with V Jane starred in the classic soaps *One Life to Live* and *Fantasy Island*. She also played the seductive snatcher of Alec Baldwin's baby in *The Doctors* and caused a stir opposite Kim Novak in *Falcon's Crest*. Jane appeared as Diana Marshall, a super-bitch with a score to settle on *Neighbours* in 2010, and also returned to American television in the re-imagining of the V series as mother Diana.
